

Kentucky Library Association Board Meeting
September 15, 2010
Library Administration and Management Round Table
(LAMA-RT) Annual Report

Our 2010 Officers are:

Chair – Constance Ard, Answer Maven
Chair-elect – Abby Thorne
Secretary – Candace Rogers, Sullivan University, Lexington Campus
Past-Chair – James Manasco

Our officers have discussed throughout the year the viability of the LAMA-RT. We've held discussions with new members from the Library Development community. Our goal is to renew the involvement of current members and expand the number of active members. We, the officers, agree that the rotation of leadership among a handful of volunteers is not beneficial to the overall health of the RT.

With that in mind, we planned an Unconference Session for the KLA Annual Conference. A message to the KLA Listserv and the LAMA Listserv has gone out encouraging attendance at this meeting. This meeting will be held in conjunction with our Annual Business Meeting.

Depending upon the outcome of the discussions during the Unconference and Annual meeting the next year may see the round table officers work towards the dissolution of the roundtable.

Respectfully Submitted by
Constance Ard, Chair KLA LAMA-RT
